

CPCWHS1001 PREPARE TO WORK SAFELY IN THE CONSTRUCTION INDUSTRY

WHITE CARD

POTENTIAL CAREER OPPORTUNITIES

- Construction Worker / Labourer
- Individuals Who Require a White Card:
 - Site Managers, Supervisors, Surveyors, Labourers and Trades People
 - People Who Access Operational Construction Zones (Unaccompanied or Not Directly Supervised by an Inducted Person)
 - Workers Whose Employment Causes Them to Routinely Enter Operational Construction Zones

This unit of competency specifies the mandatory work health and safety training required prior to undertaking construction work. The unit requires the person to demonstrate personal awareness and knowledge of health and safety legislative requirements in order to work safely and prevent injury or harm to self and others. It covers identifying and orally reporting common construction hazards, understanding basic risk control measures, and identifying procedures for responding to potential incidents and emergencies. It also covers correctly selecting and fitting common personal protective equipment (PPE) used for construction work.

COURSE INFORMATION

The delivery of this qualification is one day, face-to-face, from 8:30 AM to 4:30 PM

TRAINING LOCATIONS

Flexible location options available, with the course offered in various locations throughout Perth and its regional areas.

Australian Business & Vocational Training (ABV) is the Registered Training Organisation (RTO Number: 52592) students will be enrolling with. ABV has third party arrangements with Training Alliance Group to provide services (marketing, students recruitment, training and assessment, issuing qualifications, educational and other support services) on behalf of ABV under ABV name. ABV is responsible for all the actions of the Training Alliance Group under third party arrangements. ABV is fully owned by Training Alliance Group.

Enrolment Information:

Students are required to read the Student Handbook and agree to the Terms and Conditions prior to enrolment. All students must satisfactorily complete a Language, Literacy, and Numeracy (LLN) assessment at a minimum of ACSF Level 1 and participate in a course suitability discussion during the pre-enrolment process. Students may be required to complete a digital literacy assessment. Once the enrolment is reviewed, students will receive confirmation of their enrolment. You are required to apply for a personal education number known as Unique Student Identifier (USI) as part of studying a nationally recognised course. To apply for a USI number, go to www.usi.gov.au

* The WorkSafe WA Approved Construction Induction Training Card (CIT) cards are only issued to students who provide evidence that they are located in Western Australia at the time of the assessment for the CPCWHS1001 Prepare to work safely in the construction industry unit of competency.

Evidence can include:

- Current Western Australian Driver's Licence
- Current Western Australian learner driver's permit
- Current Western Australian Student Identification
- Recent utilities invoice with a Western Australia address and the name of the person to whom the CIT card will be issued
- Birth Certificate: In some cases, a birth certificate may be required as additional proof of identity.
- Visa or Work Permit: If applicable, for non-citizens or residents working in Australia.
- Western Australian postal address to which the CIT card is to be posted.

Certification:

Upon successful completion, students will receive:

- Statement of Attainment for CPCWHS1001 Prepare to work safely in the construction industry
- WorkSafe WA Approved Construction Induction Training Card*

Statement of Attainment will be issued under ABV RTO (52592)

Course Fees:

\$125.00

Entry Requirements:

- Students must be at least 14 years of age.
- Students must be Australian citizens, permanent residents, or have legal rights to study in Australia.

Assessment Methods:

- Written Test
- Case Studies
- Practical Demonstrations
- Observation

Other Information:

There are no classes scheduled during Public Holidays.

What You Need To Provide:

Students will be required to wear enclosed shoes, long pants and high visibility long sleeve shirt.

Further Study Options:

Students who successfully complete CPCWHS1001 Prepare to work safely in the construction industry may choose to continue their studies towards RII30820 Certificate III in Civil Construction Plant Operations or RII30920 Certificate III in Civil Construction General.

CTF Funded Fees:

For CTF-eligible construction workers, a subsidy of \$50.00 will be applied, reducing the course fee to \$75.00.

The CTF provides funding support for training of eligible workers in the construction industry. We acknowledge the support of the CTF in reducing the costs of training for eligible workers.
