

STATUTORY SUPERVISOR TRAINING

The Schedule 26 Statutory Supervisor Training equips current and aspiring supervisors and team leaders with the skills and knowledge to identify, assess, control and monitor workplace risks in line with WHS legislation and industry requirements. Participants learn to apply structured risk management processes, consult with workers and stakeholders, and implement and monitor workplace safety policies, procedures and programs.

Designed for those working or seeking to work in operational, supervisory or leadership roles, the course strengthens practical capability through realistic, scenario-based activities. Learners investigate workplace concerns and incidents, conduct hazard inspections, prepare risk assessments and control plans, deliver toolbox talks and complete WHS documentation aligned with workplace practice. The course also builds understanding of responsibilities under the Work Health and Safety (WHS) Act, Regulations and relevant Codes of Practice.
